

Pursuit of Excellence

It is a stimulating, experiential, results-oriented course that allows participants to learn, integrate and apply key elements of success in a short period of time. The program includes modules on:

- Agreement Creation
- Conflict Resolution
- Leadership Styles
- Commitments
- Stress Reduction
- Effective Relationships
- Purpose

The Wall

Is a dynamic, in-depth seminar that assists participants in defining exactly what factors need to be present in order to create a rich, fulfilling life. Participants also identify and break through what could be in the way of "having it all". Building on the work done in The Pursuit of Excellence participants will:

- Clarify Life Purpose
- Identify Framework for Participation
- Develop Long-Term Vision
- Release of Things that Limit Success
- Identify and Break Through Barriers

Why choose Excellence Seminars International?

I finally committed to the time it took to complete the programs, I found that I did more business in the three months following than I had done in the entire previous year. I find now that I get more things done, with less time and effort, and I continue to experience increased success in garnering new clients. In fact, my company's growth is such that I have been featured in a recent edition of MONEY MAGAZINE. — *Richard Konieczka, President, Sound Money Management*

As someone who has personally seen the value of the Excellence Seminars, I would recommend them to anyone who is looking to improve their lives. These seminars provide the framework and clarity needed in today's fast paced world. I am sure that anyone who makes the investment in time and resources to this seminar series will see results that exceed their expectations. — *Peter van Stolk, President/CEO Jones Soda*

Bring Excellence Seminars International Training To Your Workplace Fully Funded Through The Workplace Training for Innovation Program

The Ministry of Advanced Education and Labour Market Development has established a new initiative, the **Workplace Training for Innovation Pilot Program** (WTIP). The program is designed to provide funding to eligible employers with less than 50 staff for the employee training of their choice, delivered by the training provider of their choice. Through WTIP, employers decide on the training and the training provider best suited to assist them to improve productivity, enhance competitiveness, and/or introduce new technology, equipment, or work processes. There are hundreds of training options available across the province for employers to choose from, including colleges or private training institutions.

The Ministry of Advanced Education and Labour Market Development has *not* pre-approved nor endorsed any courses, programs, or training providers with respect to WTIP.
